Guidance on selected words used in the ISO 9000 family of standards

This document provides the appropriate meaning of selected words found in dictionaries used in ISO 9000:2015 and ISO 9001:2015 for the context in which they are used.

In addition to the defined concepts (with the terms and definitions) given in ISO 9000:2015 Clause 3 this document assists standards users, standards developers, and translators of the ISO 9000 family of standards by providing selected dictionary meanings for common words, which are used in ISO 9000:2015 and in ISO 9001:2015. If a common word is used at different locations in the text of a standard with different dictionary meanings, the relevant clauses are indicated.
